

Public Education Service Award

*Alameda County Board of Education
and
Alameda County Superintendent of Schools commend*

*Terry Doran, Member
Berkeley Unified School District Board*

We, at ACOE, would like to congratulate Terry Doran for his retirement from the Berkeley Unified School District's Board of Education. He served in Berkeley for nearly forty years as a teacher administrator and two-four year terms as a Board member. He was also the Berkeley Board of Education President twice.

As President, he shepherded the Board through the selection of the current superintendent, Michelle Lawrence, helped bring the District back to fiscal solvency and worked to create small schools at Berkeley High School. As a teacher and administrator at Berkeley High School, as well as during his terms of office on the Berkeley Board of Education, he has been interested in and supported Berkeley High School and the elements that have brought BHS to its current success.

Throughout his terms of office he maintained his perspective on the needs of teachers and students as he made policy decisions. Terry was and is a strong advocate for integration and successfully helped the district defend against the Pacific Legal Foundation lawsuit.

Terry Doran is well known throughout the community for representing all of his constituents, as well as being an advocate for student voices.
