Alameda County Superintendent of Schools commend

Mr. Arnie Glassberg

Superintendent

San Lorenzo Unified School District

We, at the Alameda County Office of Education (ACOE), would like to honor you as you take this next important step. We salute you for your leadership among both Community Based Organizations and district superintendents. Your vision and knowledge and experience will be sorely missed.

Because of your experience, background, and dedication, you were elevated to Superintendent of the San Lorenzo Unified School District, where for the last four years you have led the effort to bring staff together in tackling achievement gap issues in the underserved communities.

You were instrumental in the passage of Measure E, which provides \$49 million in improvements for the district, and your tireless effort to upgrade technology resulted in the acquisition of 5,000 laptops that now provide students with the technological tools necessary for them to thrive and grow.

Throughout your career, you personified what a team leader and team player is all about, and your efforts to build long-lasting relationships that extend far beyond your district.

We commend you for your decades of commitment to education, and your quest to provide all children with the voice and the skills necessary to help them become productive members and future leaders of our society.

As you know, there is no work more important than helping to shape the lives of our youth. We, at ACOE, are pleased to honor you for your contribution to the children and families of San Lorenzo School District and of Alameda County students.

Best wishes in all future endeavors, and enjoy your well-deserved retirement.

Passed on April 24, 2007

*Sheila Jordan, Superintendent
Alameda County Office of Education*

*Fred Sims, President
Alameda County Board of Education*

*Felix Elizalde, Member
Alameda County Board of Education*
