We commend you for your dedication in helping the growth and development of the Latino community while promoting multicultural diversity, sensitivity and pride among the overall population. You have touched the lives of many by providing space for an Alameda County Office of Education's weekly column in Vision Hispana in which, you provide information about educational opportunities, special programs and issues of interest to the Latino population of Alameda County. Your commitment to promoting improvements in the education, health, and safety and your advocacy and support of educational activities benefiting the Latino community of Alameda County is inspiring and deeply appreciated.
