## Angelo Madrigal

We, at the ACOE, want to congratulate Angelo Madrigal on his retirement from the San Lorenzo Unified School District.

We commend your commitment of over thirty years, to the many parents, educators, administrators, and community members of the San Lorenzo Unified School District. Your passion for supporting positive outcomes for at-risk students is the motivation behind your success. Your intimate knowledge of each school's community culture gives you a unique perspective in dealing with each and every situation that you encounter.

We celebrate your personal commitment to advocating, nurturing, and sustaining a safe and positive school culture throughout your daily work. In addition, your hard work, through collaboration with local resources and partnership, has positively impacted the lives of students.

We congratulate you on your persistence in dealing with the discipline challenges that you encounter, as you simultaneously hold the student accountable yet communicate your belief that every student has the ability and deserves the opportunity to succeed in the future.

We honor you for your passion and commitment to education, to providing youth with the discipline, values, and opportunities to become productive members and potential leaders of our society.

There is no work more important. We wish you all the best in your retirement.
