KRAIG DEBRO

KTVU, CHANNEL 2

We salute you for being instrumental in the success of the “2008 Alameda County Teacher of the Year” event in which the Alameda County Board of Education and the Alameda County Superintendent of Schools honored sixteen Alameda County teachers for their commitment and dedication to providing a quality education to all students. As Master of Ceremonies your humor, insightful comments about education and recollections of your experiences as a teacher contributed greatly to the program’s success. We have received an unusual amount of positive feedback on the event on your role as emcee. We would also like to commend Channel 2 for its tireless efforts in support of public education.
