RE: Protect Education Funding

Dear Governor Gray Davis,

I am writing at the request of the Alameda County Board of Education to urge you to ensure that education remains your top priority and ask that you support the revenues necessary to fully fund education. In addition, any delays in passing the budget will severely impact our schools and I urge you to provide the leadership necessary to pass the state budget on time.

We cannot afford to punish our children and jeopardize our future. Preventing cuts to education is a priority for millions of concerned citizens across California, and we urge you to pass the budget and protect our schools.

Sincerely,

Sheila Jordan,
Superintendent of Schools
